Office A	ction Summary

Serial No. 08/855,933
Art Unit 1615

Claims 125-144 are rejected under 35 U.S.C. § 103 as being unpatentable over Fankhauser et al. 4,855,142 taken alone or together with Ennis et al. Article.

The use of a bile salt enhancer to release from the matrices of Fankhauser et al. '142 would be obvious, <u>prima facie</u>, to those skilled in the art (see column 4 lines 30-32 of same and disclosure of Ennis et al.). The results of the instant specification in regard to release of active agents are presumed to be inherent in the primary reference release films since the polymers which are used to construct the films are the same as those of the claimed mucosal delivery system. The scope of the claims includes polymer mixtures which encompass those used in Fankhauser et al. '142.

Claims 125-144 are rejected under 35 U.S.C. § 112, paragraph 2.

The claims do not contain limitations of time-release and definite amounts of the principal components. Claims are suggested to be limited to the combinations of rubbery copolymers and polycarboxylic polymer auxiliariss of the specification Working Examples. That is, if a particular combination of polymers is necessary to obtain release results for certain active agents, then it is necessary to claim same as critical components.

Art Unit 1615

Applicant's amendment necessitated the new grounds of rejection. Accordingly, **THIS ACTION IS MADE FINAL**. See M.P.E.P. § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 C.F.R. § 1.136(a).

A SHORTENED STATUTORY PERIOD FOR RESPONSE TO THIS FINAL ACTION IS SET TO EXPIRE THREE MONTHS FROM THE DATE OF THIS ACTION. IN THE EVENT A FIRST RESPONSE IS FILED WITHIN TWO MONTHS OF THE MAILING DATE OF THIS FINAL ACTION AND THE ADVISORY ACTION IS NOT MAILED UNTIL AFTER THE END OF THE THREE-MONTH SHORTENED STATUTORY PERIOD, THEN THE SHORTENED STATUTORY PERIOD WILL EXPIRE ON THE DATE THE ADVISORY ACTION IS MAILED, AND ANY EXTENSION FEE PURSUANT TO 37 C.F.R. § 1.136(a) WILL BE CALCULATED FROM THE MAILING DATE OF THE ADVISORY ACTION. IN NO EVENT WILL THE STATUTORY PERIOD FOR RESPONSE EXPIRE LATER THAN SIX MONTHS FROM THE DATE OF THIS FINAL ACTION.
